Instructions to your bank.

I instruct you to pay Direct Debit from my account at the request of Corrib Oil Ltd.

The amounts are variable and may be debited on various dates.

I understand that Corrib Oil Ltd. changes the dates only after giving me prior notice.

I shall inform the bank in writing if I wish to cancel this instruction.

Everybody likes to manage their household expenses. Nobody wants the sudden shock of a large bill which comes at a time when it is least expected.

In response to requests from our customers, Corrib Oil are pleased to introduce the Corrib Home-Heat Plan.

How does it work?

On ordering your Home Heating Oil you pay an agreed amount. A member of our staff will discuss your annual heating oil need and work out a suitable monthly payment.

You then set up a direct debit through your bank which pays the pre-agreed amount each month.

Corrib Oil Company will send you a statement each month showing the balance on your account. Your Corrib Home Heat Plan will be reviewed annually with a member of our staff and your payment can be altered to reflect any changes in your usage.

The result is your home heating costs are spread over a full year. You can order your home heating oil in confidence and avoid having to stay at home to receive smaller deliveries on a regular basis or risk running out of oil and going cold.

Advantages to you:

- Makes household budgeting easier.
- The Corrib Home Heat Plan represents interest free credit.
- Receive a monthly statement showing your exact position with regards to your heating oil costs.
- No changes to your monthly payment unless you agree it.
